

Parents: To View Student State Summative Assessments

Students in grades three through eight participate in the California Assessment of Student Performance and Progress. Student Score Reports can be accessed electronically through the parent portal in PowerSchool.

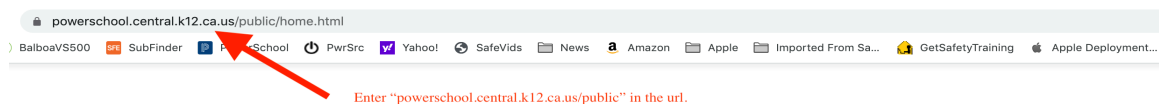

The assessment reports that can be accessed are:

CAASPP (ELA/Math/Science)
California Science Test (CAST)
ELPAC Summative Assessment (SA)
ELPAC Initial Assessment (IA)

NOTE: Only reports that the student has taken will be available to be viewed.

If a parent would like to view their student's score reports they should follow the steps below.

1. In a web browser (Google, Firefox, Safari...) enter the following web address in the web browsers URL: **powerschool.central.k12.ca.us/public** and log in with the parents PowerSchool login information.

A red arrow points to the "Username" field with the caption "Enter login information". Below the input fields is a link that says "Forgot Username or Password?". At the bottom right of the form is a blue "Sign In" button. At the very bottom of the page, there is small copyright text: "Copyright © 2005-2019 PowerSchool Group LLC and/or its affiliate(s).
